Quotes from Advanced Reading Students

"Before entering I was told I would probably more than double my speed; however, it startled me when I actually did." —Robert W.

"I am amazed at how fast I'm reading now. This is AWESOME!!! Going into this, I didn't think it could be done." —Austin S.

"Was skeptical at the beginning--then...WOW!" —Karen C., teacher from Carrollton

"Life-changing. Excellent." —Joel W.

"It's crazy how much more interesting reading is now."
—Anonymous

**\$100
early bird
discount**

The Advanced Reading Skills course is remarkably effective. Over 90% of those who take this course at least double their speed while maintaining or increasing their comprehension.

Many slow readers think reading is boring. They may not realize they're causing their own misery by reading so slowly. When you learn to make eye fixations on groups of words, your effective reading rate will skyrocket! Moreover, reading becomes more interesting, engaging, and enjoyable.

- **Significantly boost verbal SAT scores**
- **Complete reading assignments in less than half the time**
- **Gain more free time for doing the things you love**
- **Improve your effective reading rate by at least 50% or your money back!**

Sign up by Aug. 31 to receive a \$100 discount!
Family discounts also available. See website for details.

Frequently Asked Questions

Where does this course come from? The course originated in Australia and has been used in many different countries to double the reading speed of over three million people. **Would you recommend the course for someone who is already a good reader?** Yes! This course is not a remedial course; it is correctly called *Advanced Reading Skills*. Poor readers can become good, and good readers can become great. **What if a person has dyslexia?** Most dyslexics seem to have less trouble with transposing letters once they learn to make eye fixations on groups of words rather than on one word at a time. About 62% of the dyslexics who have taken this course have doubled their effective reading rate. **What is the cost?** The normal tuition is \$395 plus \$35 for the text. With the early bird discount, tuition is only \$295. **How do I sign up for the Advanced Reading Skills course?** Register online at www.DoubleMyReadingSpeed.com. We can only fit 38 in each class, so if you want to join us, please register soon! Questions? Call Jamie Lash at (972) 352-0172.
