Quotes from Jamie Lash's students:

"Before entering I was told I would probably more than double my speed; however, it startled me when I actually did." —Robert W.

"I am amazed at how fast I'm reading now. This is AWESOME!!! Going into this, I didn't think it could be done." —Austin S.

"Was skeptical at beginning--then...WOW!" —Karen C., teacher from Carrollton

"Life-changing. Excellent." —Joel W.

"It's crazy how much more interesting reading is now."
—Anonymous

Many slow readers think reading is boring. They may not realize they're causing their own misery by reading so slowly. When you learn to make eye fixations on groups of words, your effective reading rate will skyrocket! Moreover, reading becomes more interesting, engaging, and enjoyable.

This course is remarkably effective. Over 90% of those who take this course at least double their speed while maintaining or increasing their comprehension.

- **Significantly boost verbal SAT scores**
- **Conquer reading assignments in less than half the time**
- **Gain more free time for doing the things you love**
- **Improve your effective reading rate by at least 50% or your money back!**

Sign up by Sept. 25 to receive a \$100 discount!
Family discounts are also available. See below for details.

Frequently Asked Questions

What is the cost? Tuition is \$395. With the early bird discount, tuition is only \$295 if you register by Sept. 25. Additional family members receive an EXTRA \$100 off! Thus, they pay only \$195 with the early bird discount.

Would you recommend the course for someone who is already a good reader? Yes! This course is not a remedial course. Poor readers can become good, and good readers can become great. **What if a person has dyslexia?** Most dyslexics seem to have less trouble with transposing letters once they learn to make eye fixations on groups of words rather than on one word at a time. Over 65% of the dyslexics who have taken Jamie Lash's course have doubled their effective reading rate.
